1. Supplier to ADA Contact - ADA is committed to a response process which maintains the highest level of integrity. As a result, suppliers, consultants, their agents, liaisons, advocates, representatives, or others promoting their position are prohibited from contacting ADA. Other than with the designated contacts, contact with any of ADA participants, employees, contractors, subcontractors, consultants and/or those individuals having influence on the participants of the decision-making process, whether that notice is oral or written, formal or informal, outside of this process is strictly prohibited. Any attempt to influence the outcome of the RFP study outside of the process described herein will be automatic grounds for disqualification of the supplier's response. Suppliers will have adequate opportunity to obtain the needed information as part of the planned RFP process. All suppliers will receive the same information. Suppliers should carefully respect this provision.

2. Designated ADA Contact – All communications, including RFP submissions must be directed only to the designated representative of ADA i.e. Jay Willer listed above in Section I – Clarification section.

3. ADA reserves the right to disqualify any supplier in the event that providing these product/services may adversely affect existing business relationships.

4. Supplier Proposals received after the date and time specified will be disqualified and returned unopened to the supplier. Unsolicited corrections and/or modifications received after the closing time specified will not be accepted.

5. The suppliers are responsible for completely defining all charges which ADA should expect to incur, whether or not they have been specifically requested in the Request for Proposal and must guarantee those prices for twelve (12) months to allow ADA sufficient time to make an informed decision.

6. ADA reserves the right to verify all information provided by a supplier via direct contact with the supplier's prior clients and prior personnel. Supplier must agree to provide and release necessary authorizations for ADA to verify any of the supplier’s previous work. Misstatements of experience and scope of prior work are grounds for disqualification of the supplier.

7. Suppliers found to have used the proposals, in whole or part, submitted by other supplier shall be disqualified from this Request for Proposal.

8. ADA will not be responsible for any costs incurred by the suppliers in connection with their response to this Request for Proposal.
9. Any proposal prepared for and submitted to ADA in response to this Request shall become the property of ADA.

10. ADA reserves the right to reject any and all proposals submitted, to cancel this request or any part thereof at any time without prior notice, and to accept the proposal of any other party if it deems such action to be in the best interest of ADA. Furthermore, ADA reserves the right to award based on initial offers or those subsequently requested, and to further negotiate with any and all suppliers.

11. ADA reserves the right to:
   - Award contracts on the basis of proposals for individual items, groups of items, or the entire list of items;
   - Reject any or all proposals, or any part thereof;
   - Waive any informality in the proposals; and
   - Contract in the best interest of ADA.
   ADA's decision shall be final.

12. All supplier representations to ADA, whether verbal or written, will be relied on by ADA in its evaluation of potential suppliers. ADA's reliance on the suppliers' represented expertise in this type of transaction is to be considered as incorporated into any and all formal agreements between the parties.

13. ADA will evaluate a supplier's "confidence in its own ability to perform" based on a given supplier's willingness to provide ADA with meaningful contractual assurances and remedies, which ADA may exercise in the event of that supplier's non-performance.

14. In summation of ADA's general objectives regarding this Request for Proposal, ADA has a sincere desire to award the transaction based on reliable information. In other words, responsive suppliers to this Request for Proposal will have demonstrated their agreement to not make verbal or written assurances, unless they can actually perform as described in said assurances.
