

# American Diabetes Month<sup>®</sup>

---

November is American Diabetes Month<sup>®</sup>. But this isn't a time to celebrate. It's a time to rally against the diabetes epidemic. Join us to uplift your loved ones living with diabetes and help all those in need across America. The American Diabetes Association<sup>®</sup> is leading the charge by:

- **Providing education and programs** that help prevent diabetes in all of us and help those with diabetes lead healthy lives by reducing their risk of complications.
- **Advocating at every level** to ensure everyone living with diabetes is treated equitably and can access affordable health care.
- **Funding research and setting clinical guidelines** to advance diabetes treatments and lead us toward a cure.
- **Bringing people together** to make a difference in their families and communities through donations and direct action.
