JOIN THE FIGHT
Did you know that every 23 seconds, someone new is diagnosed with diabetes? The American Diabetes Association® is leading the charge to prevent and cure diabetes and to improve the lives of all people affected by diabetes. You can take action and join the fight by volunteering, advocating, fundraising, donating, and more. Together, we can end diabetes.
American Diabetes Month® is the perfect time to join our mission. Find out how you can get involved by visiting diabetes.org/WeFight today.
